Wednesday 24th April 2024

We are seeing in school an increase in children who are tired and unable to concentrate. When this is unpicked by staff, children are often saying it is because they are on devices late at night and sometimes even in the early hours of the morning.

Please can parents ensure they are fully aware of their child's usage of devices such as tablets, iPads, phones and games consoles such as Xbox or PlayStation.

Children should not go to bed with devices in their room as this doesn't support good sleep habits therefore affecting health and wellbeing.

Are you a parent of our school? Do you have a hidden talent or an interesting job? Would you like to come and speak to the children about it to inspire them?

If so, we would love to hear from you. Please nip in and see Mrs

Clarke and hopeful you can inspire our children to 'Soar High' in the future!

The registers for Nursery in September are getting full. We don't want any of our parents to miss out on a Nursery Place—please get your child's name down as soon as possible.

A text about whether your child has managed to secure a place in one of our popular extra-curricular clubs will be sent before the end of the week. Please remember that children need to be collected from clubs at 4pm prompt.

Everyday Counts

Excellent attendance is really important. It supports children's progress across the year, helps them learn new routines, ensures there are no gaps in their learning, maintains friendships and helps children thrive in school. That is why we aim for every child to have attendance above 96% to help them achieve in school. Each week the class with the highest attendance will win 15 minutes of special reward time.
